

CONTROL VEND

IDEAL TOOL FOR
CENTRALIZING,
SCHEDULE AND
MAINTAIN ALL
DEVICES INSTALLED
ON YOUR
GAS STATIONS LOCALLY

IT INCLUDES:

- Gas station controllers
- ATG
- Fleet management systems
- Price signals

Among the large manufacturers of ControlGas® it is fair to note that you can communicate with: Gasboy, Petrovend, Veeder Root, OPW FMS, Gilbarco, Wayne and many others.

If your business needs to consolidate data originating from any of these devices, then ControlVend® is the right solution for your business.
